WORK EXPERIENCE

Front-end Web Developer
Freelance
May 2019 to Present
Designed, implemented and monitored web pages, plugins and functionality for continuous improvement.
Planned website development, converting mockups into usable web presence with HTML, JavaScript, AJAX and JSON coding.
Oversaw web platform testing, troubleshooting and user sampling prior to live deployment.

Business Analyst Intern
LaunchBridge
February 2021 to August 2021
Reviewed, analyzed and evaluated business systems and user needs.
Documented requirements, defined scope and objectives, and formulated systems to parallel overall business strategies.
